

COID (INJURY ON DUTY) and RAF Claims - Available Nationwide

COID stands for Compensation for Occupational Injuries and Diseases (South Africa)

The purpose of Compensation for Occupational Injuries and Diseases Act no.130 of 1993 is:

To provide for compensation for disablement caused by occupational injuries or diseases sustained or contracted by employees in the course of their employment, or for death resulting from such injuries or diseases; and to provide for matters connected therewith.

Have you been injured or contracted a disease at your workplace?

Have you applied for compensation but there's no feedback?

Has your loved one died on duty whilst at their workplace?

Was the accident or death caused by the negligence of your Employer or fellow Employee?

eg. No safety gear was provided by Supervisor etc.

Let us assist you to get compensation.

RAF stands for Road Accident Fund (South Africa)

The objective of the Road Accident Fund Act no.56 of 1996 is:

To make payment of compensation in accordance with this Act for loss or damage wrongfully caused by the driving of motor vehicles.

Have you been injured whilst driving or as a passenger in a motor vehicle on a South African road?

Has your loved one passed away whilst driving or as a passenger in a motor vehicle on a South African road?

Have you applied for compensation but there's no feedback?
